Retro-Spectrum

Attorneys for Clay L. Shaw last week singled out some 30 witnesses they want to testify in a court hearing that will determine whether or not Shaw's conspiracy trial will be moved out of New Orleans. The witnesses will be subpenaed to appear Tuesday at the scheduled hearing on Shaw's change of venue motion. Shaw is charged by DA Jim Garrison with a conspiracy in connection with the assassination of President John F. Kennedy in a case that was one year old Friday.
